## Charged With Murder.

Sheriff Buford on Saturday received from Magistrate Fant, at Whitmire, a warrant for the arrest of Bill Caldwell, colored, charged with the murder of Jerry Barksdale, colored, near Whitmire, on the morning of the 4th of July. Sheriff Buford having reason to believe that Caldwell was in Laurens, immediately enclosed the warrant to the sheriff of that county, who made the arrest, and the murderer was brought to Newberry Tuesday and is now in jail.

Jerry Barksdale, the man whom it is charged Caldwell killed, was found dead near the G. C. & N. railroad track about a mile below Whitmire on the fourth of July. The coroner was sent for and held an inquest, the verdict of the jury being that the said Barksdale met his death by a train on the G. C. & N. road. The mother of the dead man, however, was not satisfied.

She knew that her son had come from Chester to Whitmire in company with Caldwell, and after the killing she says she saw her dead son's hat and overalls, besmeared with blood, in Caldwell's possession. She knew that about this time Caldwell left Whitmire and walked to Laurens. Strong suspicion was aroused and she went to Magistrate Fant and told her story and asked that the warrant be issued.

The clue upon which Sheriff Buford and Magistrate Fant work is first was small, but the Sheriff says he depended upon to get his man.

## A Sad Death.

Thomas Bradburn, the youngest son of Mrs. W. P. Bradburn, died at her home in this city Wednesday afternoon at 3:30 o'clock. He was a bright and promising young boy of about eleven years of age. For some weeks he had been seriously ill with typhoid fever, and this was the cause of his death.

The remains were interred yesterday afternoon at 6 o'clock in Rosemont. To the grief stricken family we extend our most heart-felt sympathy in this their hour of deep bereavement.

## COURT OF COMMON PLEAS.

Only Three Jury Cases—All the Jurors Dismissed Wednesday Morning.

Only three jury cases were brought to trial at the term of the court of common pleas held here this week, and all the jurors, except those in the case of Dyson vs. Parks, which was concluded Wednesday morning were dismissed on Tuesday afternoon.

In this case, T. J. Dyson vs. Janie S. Parks, Executor of A. S. Parks, deceased, a verdict for the plaintiff was rendered in the sum of \$74.05.

The case of Martin J. Young, Executor, vs. Eliza M. Chappell et al, was argued before the Judge on demurrer and demurrer was overruled.

Also the case of Charlotte Crede vs. Mary Ann Spel, appeal from probate court. In this case Mrs. Crede was suing for dower in the estate of her late husband, Louis Crede, and the dower had been allowed by the Probate Judge, who was here overruled.

Also W. P. Harmon, Executor, vs. Kissiah Harmon et al., exceptions to Master's report. Exceptions overruled.

In the case of J. A. Sligh et al, vs. Bowers et al, exceptions to Master's report. The Master's report was confirmed, and the injunction issued forbidding the removal of the site of the schoolhouse at Slighs made permanent.

In March of the present year this schoolhouse was destroyed by fire. Previous to this, as far back as 1893, there had been an agitation amongst certain patrons of the school who did not want the site of the building to remain on the lands of Mr. J. A. Sligh.

Immediately after the fire they determined to rebuild in a different location and started the work. An injunction, which was here sustained, was secured by the plaintiffs.

All the business of the court was concluded yesterday morning and Judge Watts left yesterday for his home in Cherraw.

## Took a Trunk Home For Safekeeping.

Wednesday morning it was reported to the police department that a trunk and valise belonging to Jim Little and Tillman Ferguson, colored, railroad hands, had been stolen from a car on the C. N. and L. road, near the overhead bridge.

Yesterday, on suspicion, Scott Thompson, colored, was put under arrest by Policeman Franklin. Upon search, the trunk was found at his home, and he delivered to the authorities a pistol which he had taken from the trunk. He says he was driving over the bridge on the express wagon when some one showed him the trunk under the bridge. Not being able to find any one to whom it belonged he took it home for safekeeping.

## His Last Sunday.

The following editorial notice from the Abbeville Press and Banner of the 23d instant will be read with interest by the many friends of Rev. Mr. Sloan in Newberry:

Rev. T. W. Sloan will take his departure from amongst us this week. He conducted religious services in the Presbyterian Church last Sunday morning and in the evening he preached at the Methodist Church. This was his last service in Abbeville before entering upon the duties of pastor of the First Presbyterian Church of Greenville. His services in Abbeville were eminently satisfactory to everybody in this city, and doubt if Greenville could have found a man who would be as acceptable to them as Mr. Sloan has been to the people of Abbeville.

He has gone to a larger field of usefulness, and the good will of our people goes with him. He will rest until the first of September.

## Prompt Payment.

Elsewhere in this issue will be found a letter from Mrs. Hattie McCarty, addressed to General Agent Pifer, of the Pacific Mutual Life. Mr. McCarty died only a few weeks ago. The Pacific has already paid its loss. The deceased had other insurance on his life in other companies, but although the Pacific's head office is in California, it was the first to pay.

This is a practical illustration of the real smallness of our big country. Rapid transportation and the accuracy with which Uncle Sam handles our mails have almost eliminated distance as a factor in the transaction of business.

## Tell Your Neighbors

that you have bought your flour from Bransford mills and you will be assured that you could have not bought better. This is a SATISFACTION TO YOU to start out with. It is a comfort to know that you have the best. Long use will complete your satisfaction. It is the satisfaction from long use experienced by housekeepers everywhere, that has established confidence in "Clifton" flour. Good words for it, which you hear on every hand, spring from this confidence. In justice to your best interests you ought to use "Clifton".

## How It Is Done.

The first object in life with the American people is to "get rich"; the second, how to retain good health. The first can be obtained by energy, honesty and saving; the second, (good health) by using Green's August Flower. Should you be a despondent sufferer from any of the effects of Dyspepsia, Liver Complaint, Appendicitis, Indigestion, etc., such as Sick Headache, Palpitation of the Heart, Sour Stomach, Habitual Constipation, Dizziness of the Head, Nervous Prostration, Low Spirits, etc., you need not suffer another day. Two doses of the well-known August Flower will relieve you at once. Go to Wm. E. Pelham & Son and get a sample bottle free. Regular size, 75 cts. Get Green's Special Almanac.

## FIGURES FROM OTHER TOWNS.

Mr. P. J. Voss Gives the Cost of Sewerage in Union, Aiken and Anderson.

Editor Herald and News: I herewith give you some data concerning sewerage which our people are very much interested in just now. I will give you the figures which I obtained at Anderson, Union and Aiken, S. C. Anderson, S. C., has contracted for 13 1-2 miles of sewerage, size ranging from 8 in. to 18 in., at a cost of \$38,000, including every item. You will note the sizes of the pipe, and there is very much more rock there than can possibly be at Newberry.

Union, S. C.: The contract has been let there for eleven miles of sewerage, ranging in size from 8 in. to 16 in., at a cost of \$32,000, including every item. Aiken, S. C.: The city of Aiken has ten miles of sewers, ranging from 6 in. to 15 in. which cost them \$25,000, including everything. While they had no rock here, they had practically all sand ditches, and it was difficult to keep them from caving, and they had to dig, some of them, twenty-five feet deep. I got this information from parties who are in position to know, and I presume it correct. This is merely for the information of our citizens, as quite a number of them asked me to get it.

Respectfully,

P. J. Voss.

## Every Healthy Boy

likes to get himself into places of danger. Hence bruises, strains and sprains. Mother scolds and brings out the bottle of Perry Davis' Painkiller and rubs it on the injured spots with an energy and frequency depending on the seriousness of the case. There is nothing like Painkiller to take out the soreness. There is but one Painkiller, Perry Davis'. Price 25c. and 50c.

## Negro Frolics and Pistols.

There was a negro frolic at the house of Charlie Dembo on College Hill on Wednesday night, and of course there were pistols there. About 2 o'clock in the morning, just about the time the guests were taking their departure Policeman H. H. Franklin and Constable J. R. Elson appeared on the scene. There was a general "scattering" of negroes through doors and windows, and although several were chased, only two were captured.

These two were brought to trial yesterday morning, Mayor Klettner acting both mayor and magistrate. As mayor he gave Henry Williams \$20 or 30 days for carrying concealed weapons and for disorderly conduct, and Jason Golden \$10 or 10 days for carrying concealed weapons. As magistrate he gave Williams \$20 or 20 days and Golden \$20 or 20 days for violating the State law prohibiting the carrying of a pistol less than 20 inches in length and three pounds weight.

Total: Henry Williams, \$40 or 50 days; Jason Golden, \$30 or 30 days.

These cases are the first in Newberry County for violation of the anti-toting pistol law which went into effect on the first of the present month.

Mr. A. P. Pifer,

Gen. Agt. Pacific Mutual Life Ins. Co.

Newberry, S. C.,

Dear Sir:—I wish to express appreciation of your personal kindness and the promptness of your company in paying the loss, No. 40281, on the life of my late husband, Robt. B. McCarty.

Mr. McCarty died less than a month ago. He was insured with your company for One Thousand Dollars. He had paid only two annual premiums of \$34.10 each, and today, I have been paid, not \$1,000, but \$1,013, without one cent of expense to me. Such promptness and liberality ought to commend itself to all who want insurance, and I hope your company will receive the consideration which it so richly deserves.

You may use this as you wish.

With best wishes for you personally,

I remain,

Yours truly,

(Signed) Hattie McCarty.
